1 Overview

Clean Ville is polluted by gloop! The race is on to be the champion gloop cleaner! Build Factories! Produce Gloop! Refine the gloop into gloop+! Become the savior of Clean Ville!

2 Components

The Gloop contains 50 cards!

3 Game Play Regions

3.1 Industry Zone

Each player builds gloop industries in their industry zone. These industries are used to perform certain effects.

3.2 Hand

Every player holds a hand of gloop cards.

4 Rules of Play

4.1 Setup

Every player starts with a factory.

The starting player gets 5 other cards. The non starting player(s) get 6 other cards.

4.2 Turns

Players take turns. Each turn a player does one of the following.

4.3 Winning

A player wins if they have 6 clean gloop.
